PARENT/TEACHER INTERVIEWS

Thank you to all the families who attended Parent/Teacher Interviews this week. Parent/Teacher Interviews are really important as it provides us with great feedback. It is also a great opportunity for parents and teachers to get together and discuss your child's learning progress at school for the first half of the year and highlight areas we can help your child improve and achieve their learning goals. It was great to see many families and students involved in the interview process. We would love to see more families attend these interviews in the future.

KIRIBATI LANGUAGE WEEK

Pacific languages are a key cornerstone for the health and wellbeing of Pacific people. History shows us that a loss of language leads to a loss of culture and identity. Since 2010, the Ministry for Pacific Peoples has been supporting Pacific Language Weeks, promoting and raising awareness of the diversity of our Pacific languages in Aotearoa.

This year's theme for Te Taetae ni Kiribati, is *"Ribanan, karikirakean ao kateimatoan ara katei ma ara taetae ni Kiribati"*, which means - *"Nurture, enhance and sustain the Kiribati language and culture!"*. Aligning with the Pacific Language Weeks' overarching theme of sustainability, the Kiribati theme is about keeping the traditional art and modern technology skills to nurture, preserve and promote the Kiribati language into the future.
