Dear Parents/Caregivers

Term 2 - Week 10

### STAFFING IN TERM 3

We have a few changes in our staffing in the early part of Term 3. We will of course do our best to keep things as normal as possible but will need your patience and understanding as we work through this.

We welcome Ms Miller who will start a new Junior School class in Term 3 as we already have 12-15 new enrolments waiting to start school.

Mr Ekepati will be away for the first 2 weeks of next term, Mrs Hendricks for the first week and Mrs Crompton for the first 4 weeks. Some support staff will also be away during the first 4 weeks so we will be busy trying to keep things as normal as possible.

We would like to say Tofa Soifua to Chris Duffy, our Social Worker in School (SWiS). Chris will be leaving us to work with Youth in Papakura High School. We also farewell our caretaker Matua Ivan who is retiring and welcome Murray to our Leabank School family as the new caretaker.

### END OF TERM WRAP-UP!

We have now reached the end of a busy and eventful Term 2. We would like to wish you all a happy holiday and safe travels if you are travelling. We can't wait to welcome you back next term. We look forward to seeing you all refreshed and ready to learn in Term 3.

**Term 3 starts on Monday 17th July 2023 at 8:55am**

### PARENT-TEACHER INTERVIEWS

We acknowledge and thank all the Parents / Caregivers / families that attended Parent/Teacher Interviews on Wednesday. Parent/Teacher Interviews are really important as it provides us with great feedback. It is also a great opportunity for parents and teachers to get together and discuss your child's learning progress at school for the first half of the year and highlight areas we can help your child improve and achieve their learning goals.

It was great to see families and students involved in the interview process, however, we were disappointed with the huge drop in families not turning up to their interviews as well. Overall attendance to Parent Teacher interviews this term was 65% in comparison to last term's figures of 82%.
