Dear Parents/Caregivers

Term 1 - Week 4

MEET THE TEACHERS CONFERENCE 2024

We have Meet the Teachers Conference coming up on **Wednesday 6th March**. School will be finishing at the early time of 1:30pm to allow interviews to commence at 2:00pm. Interview booking slips have been sent home with your child/ren today. Please return these ASAP. Keep an eye out for these slips coming home.

LATE ARRIVALS & EARLY PICKUPS

It is concerning how many students are arriving late to school each day. Our school hours are 8:55am to 2:55pm. Please ensure your child/ren arrives at school before school starts at 8:55am. Students disrupt class when arriving late and also miss out on valuable learning time.

School finishes at 2:55pm and we regularly see many children being picked up as early as 2:00pm. **Early pickups should only be for urgent matters and not a common event.** There has been an increase in people wanting to collect students 10 to 15 minutes early each day which is very disruptive to classes and time-consuming for office staff.

More and more people are doing this regularly which seems to be more for convenience and not a necessity. We do realise that emergencies occur but must ask that you stick to normal pick-up times so your children can get a full day of learning without any disruptions.

UPDATING CAREGIVER DETAILS

A friendly reminder that if you have a new mobile number or have moved address, please contact the school office and update your details. This goes for your child's emergency contacts as well. It is really important that we have up-to-date contact details should we need to contact you regarding your child or for an emergency.

SWIS - FRIENDSHIP CLUB

“Friendship Club” is back on every Tuesday and Thursday in the hall at break 2 after lunch eating. This will be an opportunity for the students to come along and develop meaningful connections with one another through activities such as board games, puzzles and visual arts.

Throughout the sessions, our students will be encouraged to mingle amongst each other, develop healthy peer relationships with one another, and grow in their self-confidence, sportsmanship, as well as listening and leadership skills.

SWIMMING

A reminder to all parents that swimming is compulsory for all students as it is part of our school curriculum. The importance of learning to swim and survive in the water is paramount. Please ensure your child brings appropriate swimwear to school on their allocated swimming days.

If for some reason your child is unwell and cannot participate in the swimming lesson, your child is required to bring a **signed and dated note** to explain the reason for not participating in swimming. We would appreciate your efforts and cooperation in this area.

ICE-BLOCK FUNDRAISER

We will be selling ice-blocks for \$1.00 each at school this term from Monday to Thursday at break 2 as a fundraiser for the Senior School Camp in Term 4.
