RUGBY PRE-MATCH: LEABANK SCHOOL & WEYMOUTH SCHOOL

Yesterday, it was an exciting afternoon for Leabank and Weymouth Primary School as they faced off in a rugby pre-match game at Leabank School. The game was a big hit with students and families from both schools coming out to support their teams. It was amazing to see so many people excited about inter-school sports! Both teams gave it their all and showed great sportsmanship throughout the game.

The girls played alongside the boys which was really cool. It showed everyone that rugby is a sport for everyone, no matter their gender. It was a fantastic example of how sports can bring people together and teach important values like teamwork and respect.

In the end, both teams showed that they're not just great at rugby, but also at being good sports, building great relationships. Hopefully, there will be more matches like this in the future, where everyone can come together, have fun playing rugby and cheer each other on.
