ST CUTHBERT'S COLLEGE VOLUNTEERS

Recently, we had the pleasure of Year 11 students from St Cuthbert's College at our Kura. They were with us for two days, giving our school murals a new coat of paint and others tidying up our gardens. The college provides two days of service to the Painga Project, who then reach out to support local schools. The students did a fantastic job and we look forward to seeing our murals up around the school.

A special thank you to Sarah from the Painga Project and the staff and students from St Cuthbert's College, led by David. We love and appreciate your work.

POLICE VISIT TO LEABANK SCHOOL

Last week, the Junior School had a fantastic visit from Officer Simon and Officer Ane. They taught the children important lessons about road safety and wearing seat belts. Outside, everyone tried on a police officer's vest and hat and then sat in a police car. They even turned on the siren for us!

Thank you for teaching everyone how to keep safe out on the road.

CAUGHT BEING GOOD

Congratulations to these students who received our 'Caught Being Good' award at assembly today.
